

DAVINCI DAY CAMP

NEW FEATURE THIS YEAR:
FOCUS ON KINDNESS

DaVinci Day Camp at Leonardo's is designed to keep your child's mind engaged during summertime. All curriculum is STEAM based (Science, Technology, Engineering, Art and Mathematics). STEAM curriculum offers a tremendous variety of activities and tons of FUN. With STEAM students are guided through learning and they acquire critical thinking/problem solving skills. At this camp your child will work through creative processes with their classmates. This year will also feature regular, brief intermittent lessons on the importance of kindness and children will be challenged to take kindness outside of the classroom!
