

LET'S INSPIRE OUR COMMUNITY TOGETHER!

For more than 30 years, Leonardo's has worked diligently to meet our mission of enriching and inspiring children of all ages. Our organization is very proud of the impact we have had so far. But, we know it would have been impossible without the relationships we have built with the companies, organizations, and individuals who recognize the value we deliver to Enid and the surrounding areas. If this sounds like you, please consider becoming a partner of Leonardo's. Your investment will be used to offer enhanced experiences to our guests, and help us inspire even more of the children in our community!

The benefits of partnering with Leonardo's extend beyond the knowledge that you are supporting an organization that does great things for children in your community. To help us express our gratitude, we have established three levels of partnership. Each level offers its own benefits, these include logo placements, event sponsorships, complimentary passes, and more! Please view page 2 to learn more and see which level is right for you.

WHAT'S NEXT?

2025 PROGRAMS

SEASONAL EVENTS

Leonardo's proudly hosts four major seasonal events each year that attract attendees of all ages, providing fun and educational experiences for everyone. Our key events include the Eggstravaganza, Back to School Bash, Motor Mania, and Nights of Lights. These beloved traditions bring our community together to celebrate, learn, and explore in a vibrant and engaging environment.

LEO'S AFTER HOURS EVENTS

Leo's After Hours offers a unique opportunity to engage with our museum in a whole new light—literally! Exclusively for adults, these themed events provide a fun, relaxed atmosphere to explore, play, and learn, featuring special activities, refreshments, and entertainment. Each ticket sold supports our Discovery Scholarship Fund, giving children in need access to our Camp and After-School Programs.

DISCOVERY AFTER-SCHOOL PROGRAMS

Leonardo's is dedicated to providing high-quality educational experiences for students through our after-school programs. Sponsorships for these programs are crucial in funding materials, educators, and future curriculum needs. Your support also helps keep tuition costs low, ensuring accessibility for more families in our community.
