This museum can be an educational and fun experience for persons of ALL AGES. We recommend our activities to anyone ages 1-100+ years old. Your experience at this museum all depends on how YOU choose to engage with the children and exhibits. Intergenerational play has many benefits-both mental and physical. Therefore, ALL persons over 1 year of age are required to pay admission or be listed on a current membership.

Leonardo's welcomes adults supervising and engaging in play with children. For safety, we strictly enforce a minimum of 1 supervisor per every 5 children. Supervisors must be a minimum of 16 years old and all adults entering the museum must accompany children. This is for the protection of the children in our facility. No unaccompanied children and no unaccompanied adults will be admitted.

Youth under 16 years of age may not be dropped off at the museum without an adult. A supervisor or adult MUST accompany whoever they bring to the museum at all times. This means that supervising adults must be in the proximity of their children and monitor the children's activities.

Please see Leonardo's Code of Conduct posted throughout the facility and understand that failure to comply will result in the loss the right to attend this facility. This is to keep children safe at our facility and maintain the exhibits of our museum for a long time. For questions please ask to speak to the Executive Director. Thank you!
