

# Tinkering RELOADED

## Where Science and Art Intersect!

### Spring Break Camp 2019

Children will enjoy playfully exploring new possibilities for materials and tools. Maker's Faires are a trend throughout the nation of taking normal everyday products and reusing them to create amazing things. Students will make beautiful art, make things that move and even make things that fly! S.T.E.A.M. concept lessons are designed and taught by state certified teachers. S.T.E.A.M. stands for Science Technology Engineering Art and Mathematic focused lessons. The week is packed full of fun and learning.
